

# Men Allies for Gender Equity

*Brought to you by THRIVE@ECU*

**This two-hour interactive workshop encourages and equips men to serve as effective allies for gender equity in STEM settings. While the history of this program is in STEM, the concepts can be applied across all disciplines. Men from all campus departments, including the health sciences, are encouraged to attend.**

**DR. ROGER GREEN**

This workshop will be led by Dr. Roger Green (Electrical and Computer Engineering, North Dakota State University) who has conducted Ally Workshops at universities throughout the country since 2009.

## Learning Goals:

- understand the context of gender inequity in academia and ECU
- be introduced to unconscious bias and male privilege.
- learn how to get started as an Ally, including individual actions for Allies
- use scenarios to practice Ally skills

**March 19th, 2021**

**10-12pm ([Register](#)) or 1-3pm ([Register](#))**

**This workshop is for men only.**

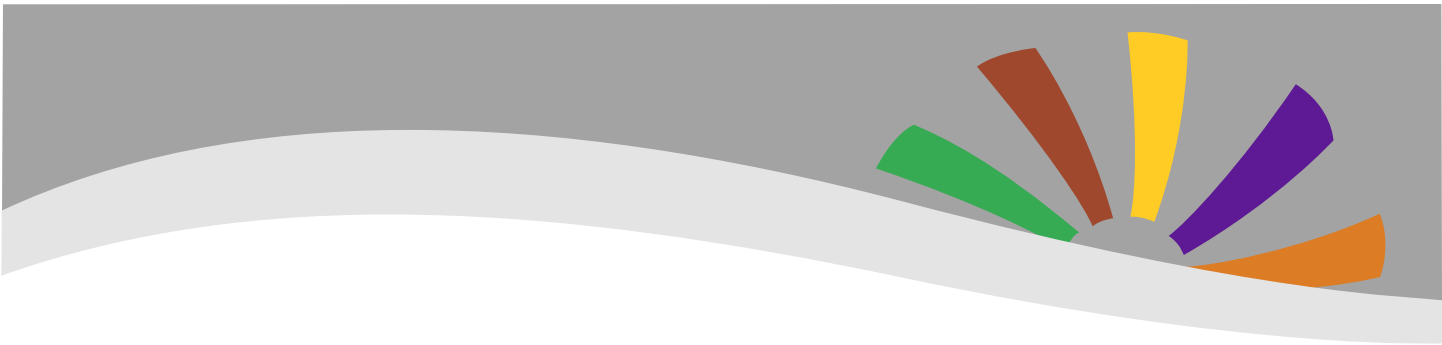

**Zoom meeting link will be sent after registration.**

THRIVE@ECU aims to change culture, build support, and remove barriers so that all women can thrive at ECU.

This event is part of THRIVE@ECU Advocates and Allies funded by the National Science Foundation ADVANCE program (HRD—2017219).
